Tips For Claim Submission

- An eligible dependent is defined as a spouse, qualifying child, or qualifying relative.
 - A qualifying child is defined as a dependent child up to age 26 or any age if permanently disabled.
 - A qualifying relative is someone who resides with you for more than half of the year.
 - Qualifying children and relatives must not provide more than half of his/her own support.
- For a complete list of eligible expenses specific to your plan, log in to your account at www.HealthEquity.com. Only submit claims for eligible expenses.
- A letter of medical necessity is required for any expense listed as “Yes (Letter)” on the eligible expense list to establish medical necessity. Cosmetic surgery or procedures, e.g., teeth whitening, are not eligible expenses unless deemed as medically necessary by a licensed physician. A letter of medical necessity form can be obtained at: <https://HealthEquity.com/account-forms>.

Tip for Over-the-Counter Expenses

As of March 27, 2020, funds from your flexible spending account (FSA), health savings account (HSA) and/or health reimbursement arrangement (HRA) can be used for over-the-counter (OTC) medications and drugs. OTC medications and drugs include cold medicines, anti-inflammatories, menstrual care products and many other items. This change is retroactive to January 1, 2020 and has no expiration date. Any claims for reimbursement of OTC medicine prior to January 1, 2020 still require a prescription. FSA, HSA and HRA plans vary by employer, and these changes do not necessarily change the benefits under your employer's plan.

Tips For Documentation

- Ensure that the documentation is legible.
- Cancelled or copies of checks and credit card receipts do not contain all 6 required pieces of information needed to approve your expense, and are not acceptable for submission.
- Explanation of Benefits (EOBs) are recommended, especially if your insurance covered a portion of the expense.
- The use of a highlighter causes items to not be legible on the documentation; highlighter use is not recommended.
- Send only photocopies of your claim form and documentation—keep the originals for your records if submitting via US Mail.
- Your provider may sign the form confirming the date of services, charges, and other service or product information in lieu of providing separate documentation or other proof of service.

Tips For Faxing

- Do not use a cover page when faxing the claim form and documentation.
- Submit only claims for your own account.
