

# Mid-Prairie West School Pantry

Mid-Prairie West's School Pantry is here to serve local families! Families interested in using the pantry must have a student attending Mid-Prairie West Elementary.

The food available in our School Pantry will vary from month to month, but may include cereal, peanut butter, pasta, pasta sauce, canned fruits and vegetables, frozen meat, bread products, snack foods, laundry and personal hygiene items, and much more.

If your family is in need of help with food and would like to utilize the School Pantry, please contact Kelly Tyler, Mid-Prairie West School Counselor for more information at [kt Tyler@mphawks.org](mailto:kt Tyler@mphawks.org) or 319-646-2984.

**\*\*Mid-Prairie Middle School and M-P East have school food pantries as well, so please contact their building School Counselor if you have a student(s) in those buildings.**
