

ATTENTION PARENTS

The River Valley Conference attendance prices will stay the same for all athletic events held during the 2023-2024 school year. Admission for all high school events will be \$6.00 for adults and \$3 for students. Non-MP students are \$6. Admission to all middle school events will be \$4.00 for adults and \$1 for students.

Expenses for officials and equipment have steadily increased over the years so the school board has approved rate increases to help make sure that expenses remain covered. Passes need to be present when entering ANY MP home event. You will be charged a replacement fee for any lost pass.
