ARTICLE VIII GRIEVANCE AND ARBITRATION PROCEDURE

A. Definitions

A grievance shall be defined as a written allegation by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this agreement.

Workdays shall mean those days when employees are scheduled to be in attendance except during vacation periods when workdays shall mean days when the Superintendent's office is open for business.

B. Purpose and Procedure

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems which may from time to time arise under this agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of an employee, a group of employees, or the Association to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and shall act as a bar to further appeal.

An administrator's failure to give a decision within the prescribed time limits shall permit the employee, group of employees, or the Association to proceed to the next step.

The time limits may be extended by mutual agreement.

It is agreed that when the employee, group of employees, and his/her representative of the Association shall be required by a principal, the superintendent, the Board or an arbitrator to meet regarding a grievance during the workday, the employee, group of employees, or the Association shall be released without the loss of compensation.

All grievances must be presented within fifteen (15) workdays from the date of occurrence of the event giving rise to the grievance, or when the employee, group of employees, or the Association could reasonably have been aware of the grievance.

Any grievance not settled by the close of the school year shall be processed expeditiously, unless mutually agreed otherwise.

I. First Step

The employee, group of employees, or the Association shall file the grievance in writing, signed by same and submit it to the building principal or supervisor. The written grievance shall state the nature of the grievance, spelling out the specific clause or clauses of this agreement which have been allegedly violated, misinterpreted, misapplied, and shall state the remedy suggested.

Within five (5) workdays after the principal or supervisor receives the written grievance, a meeting at a mutually agreeable time shall be held with the employee, group of employees, or the Association to discuss the alleged grievance and to resolve the same. The Association may be present, at such a meeting, as a representative of the employee, or group of employees if requested.

The principal or supervisor shall render a decision and communicate it in writing to the employee, or group of employees and the Association and the superintendent within five (5) workdays, following the meeting between the principal and the employee, group of employees, or the Association.

II. Second Step

In the event a grievance has not been satisfactorily resolved at the first step, the employee, group of employees, or the Association may file an appeal of the principal's or supervisor's answer within five (5) workdays of said written decision with the superintendent. Within five (5) workdays after the written grievance is filed, the superintendent or his/her designee shall meet with the employee, group of employees, or the Association, and attempt to resolve the grievance. The superintendent shall file an answer within five (5) workdays of the second step grievance meeting communicating it in writing to the employee, group of employees, and the Association, the principal or the supervisor. It is understood that class action or general grievances involving one or more certificated employees or grievances involving administrative decisions above the building level may be initially filed by the Association in this step.

III. Third Step

If the grievance is not resolved satisfactorily in step two, the grievance may proceed to step three. Grievances which have been processed through the preceding steps of this procedure, and only such grievances shall be submitted to binding arbitration as provided below:

The Association shall submit to the Superintendent in writing, a notice to enter into arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within five (5) workdays after said notice is given. If the two parties fail to reach agreement on an arbitrator within six (6) workdays, the Federal Mediation Conciliation Service shall be requested to provide a panel of seven (7) arbitrators residing within a 300 mile radius of Mid-Prairie. This request shall be in the form of a written communication from the Association. Each of the two parties shall alternately strike one name at a time from that panel. The first strike shall be determined by lot. The remaining name shall be the arbitrator. The decision of the arbitrator regarding a grievance on the contract, under which the grievance was filed, shall be final and binding on the parties. If a notice for arbitration is not filed within twenty (20) workdays of the date of the second step reply, then the grievance will be deemed settled on the basis of the second step answer.

The arbitrator shall have no power to alter, change, detract from, or add to the provisions of this agreement, but shall have power only to apply and interpret the provisions of this agreement for the purpose of settling issues and grievances arising hereunder.

Each party shall bear its own costs and expense of the arbitration proceedings excluding the fee of the arbitrator which shall be shared equally by the Board and the Association.

C. Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

D. Individual Settlements

The Board shall inform the Association, in writing, of any grievance filed by an employee or group of employees. Settlement of a grievance with an employee, or group of employees without representation by the Association, shall not set any precedent for settlement of future like grievances, unless agreed to by the Association.

ARTICLE IX SENIORITY

Seniority shall be defined as the length of current consecutive days of professional employment in the Mid-Prairie Community School District and shall be computed from the date the employee signed the individual contract. Exceptions in the preceding statement may be found in Articles X I., and XI G. Employees who work more than half time shall receive full seniority. Employees who work half time or less shall receive prorated seniority accumulation. If two (2) or more employees have the same seniority date, the relative order of seniority among them for purposes of this agreement shall be determined by said employees drawing lots.

ARTICLE X HOLIDAYS

All full-time employees shall be entitled to the following seven (7) holidays:

1. Labor Day
2. Thanksgiving Day
3. The day after Thanksgiving
4. Christmas Day
5. Either Christmas Eve or the Day after Christmas
6. New Year's Day
7. Memorial Day

ARTICLE XI LEAVES OF ABSENCE

The second year of employment	12 days
The third year of employment	13 days
The fourth year of employment	14 days
The fifth year of employment	15 days
The sixth and subsequent years of employment	16 days

The above sick leave entitlement shall apply only to consecutive years of employment in the Mid-Prairie Community School District. Sick leave may accumulate from year to year to a maximum of one hundred thirty (130) days. The administration will supply each employee with a written statement of accumulative sick leave by October 15.

2. When an employee will be absent from work, he or she shall, irrespective of whether the employee is entitled to receive sick leave benefits, give notice to the principal or the person designated by the principal to receive such notice. If the absence is for consecutive days, the principal or his/her representative shall be notified of the probable date of return.

3. An employee returning from any illness, whether or not sick leave benefits have been paid, may be required to furnish a medical doctor's certificate of health prior to returning to work in order to protect the health and well-being of students and fellow employees. If required, the district will pay the employee's cost of obtaining the required certificate.
4. The Board may require substantiation by medical examination of any illness or injury and/or the period of time the illness or injury renders the employee incapable of performing the employee's assigned duties. The Board will assume the cost incurred by the employee in securing such substantiation.
5. All sick leave benefits shall terminate and/or be forfeited upon termination of employment.
6. If a physical injury (but not an illness) is incurred in the course of employment, precluding the employee from performing assigned duties, said injury is compensated under workman's compensation insurance, the Board will pay the difference between the workman's compensation benefits and the per diem salary for days lost on account of the injury which prevented the performance of duties, but in no extent extending beyond a ninety (90) day calendar period. Any such payments of differences shall be charged against sick leave.
7. If employee has 130 sick days at the end of the contract year, then one Wellness Day is granted to be used in the following school year.

A personal day may be used for any purpose at the discretion of the employee. An employee planning to use a personal leave day shall notify the principal or supervisor in writing at least five (5) days in advance, except in cases of emergency. Leave requests for the day before or for the day following a holiday or vacation period, or during the first or last five (5) days of school may be granted by the superintendent. If more than two (2) employees in one building shall request personal leave on the same day, the third and subsequent request shall be granted providing substitutes can be secured. At the end of the school year a certified staff member can carry over two days of personal leave. Certified staff members may use a maximum of four (4) personal days per year. Any additional unused personal days may be transferred to emergency days. A maximum of five (5) days emergency leave days can be accumulated in the bank. One (1) personal day may be bought out for \$100.00 as wages. Only whole days of personal leave may be converted or bought out. In September a form will be provided for the certified employee to choose how to convert or buy out his/her unused personal leave. If the form is not returned to Central Office by October 1st, the days will be lost.

C. Emergency Leave

An emergency shall be considered an event occurring outside the control of the employee and which requires the presence of the employee. Emergency leave of three (3) days per year plus unused Personal Leave days which have been converted may be granted subject to approval by the

superintendent. Converted Emergency Leave cannot accumulate to more than five (5) days in any one year and can be used in addition to the three (3) days mentioned above. An emergency may include illness in the immediate family or where travel getting to school is dangerous, impossible, or not advisable. "This leave is subject to the employee's submission of a written statement of reason for such leave and approval by the superintendent on the basis of the absence meeting the two criteria. Additional days may be granted at the discretion of the superintendent for unusual circumstances.

D. Unpaid Leave

Each employee shall receive three (3) days of unpaid leave. If more than two (2) employees in one building request unpaid leave on the same day, the third and subsequent requests shall be granted providing substitutes can be secured. Application for unpaid leave must be in writing at least ten (10) days in advance. Unpaid leave may be granted the day before or the day following a holiday or vacation, or during the first or last five (5) days of school at the discretion of the superintendent for unusual circumstances.

E. Bereavement Leave

When an employee is absent from work due to a death in the employee's immediate family, the Board will pay the employee the regular rate of pay up to a total of five (5) consecutive days. The employee may choose to use three (3) days at the time of the funeral and two (2) days later for settlement of the estate, if necessary. The immediate family shall be construed to mean the employee's spouse, child, son-in-law, daughter-in-law, parent, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, grandparents, grandchildren and any other member of the immediate household.

Request for professional leave must be submitted to the principal or supervisor in writing at least one (1) week in advance of the day(s) to be used as professional leave. All requests for such leave are subject to approval of the Superintendent. Professional leave shall not accumulate from year to year.

Additional days of professional leave may be granted if deemed necessary by the Superintendent.

G. Association Leave

A request for Association leave must be made in writing to the Superintendent no less than fourteen (14) days in advance of day(s) to be used as Association leave. Any such request shall be subject to the approval of the Superintendent. Association leave shall not accumulate from year to year.

H. Jury Duty

Employees required to report for or serve in jury service on any workday shall be paid per diem for each such day for any one tour of jury duty, less any remuneration received by the employees for said jury duty, provided the employee furnishes satisfactory evidence that jury duty was performed on the days for which the employee claims payment.

When an employee is excused from jury service, either temporarily or permanently, on any workday, the employee shall promptly report to his/her immediate supervisor and shall complete any remaining hours of work in the workday, if required.

I. Seniority During Leaves

Seniority will continue to accrue during leaves of absence as if no break in employment has occurred.

J. Final Decision on Leaves
